

# Post-workshop analysis template - existing place

## **Movement**

Moving around, public transport, traffic and parking

## **Space**

Streets and spaces, natural space, play and recreation

## **Resources**

Facilities and services, work and economy, housing and community, social interactions

## **Civic**

Identity and belonging, feeling safe

## **Climate**

## **Place Standard Tool Analysis**

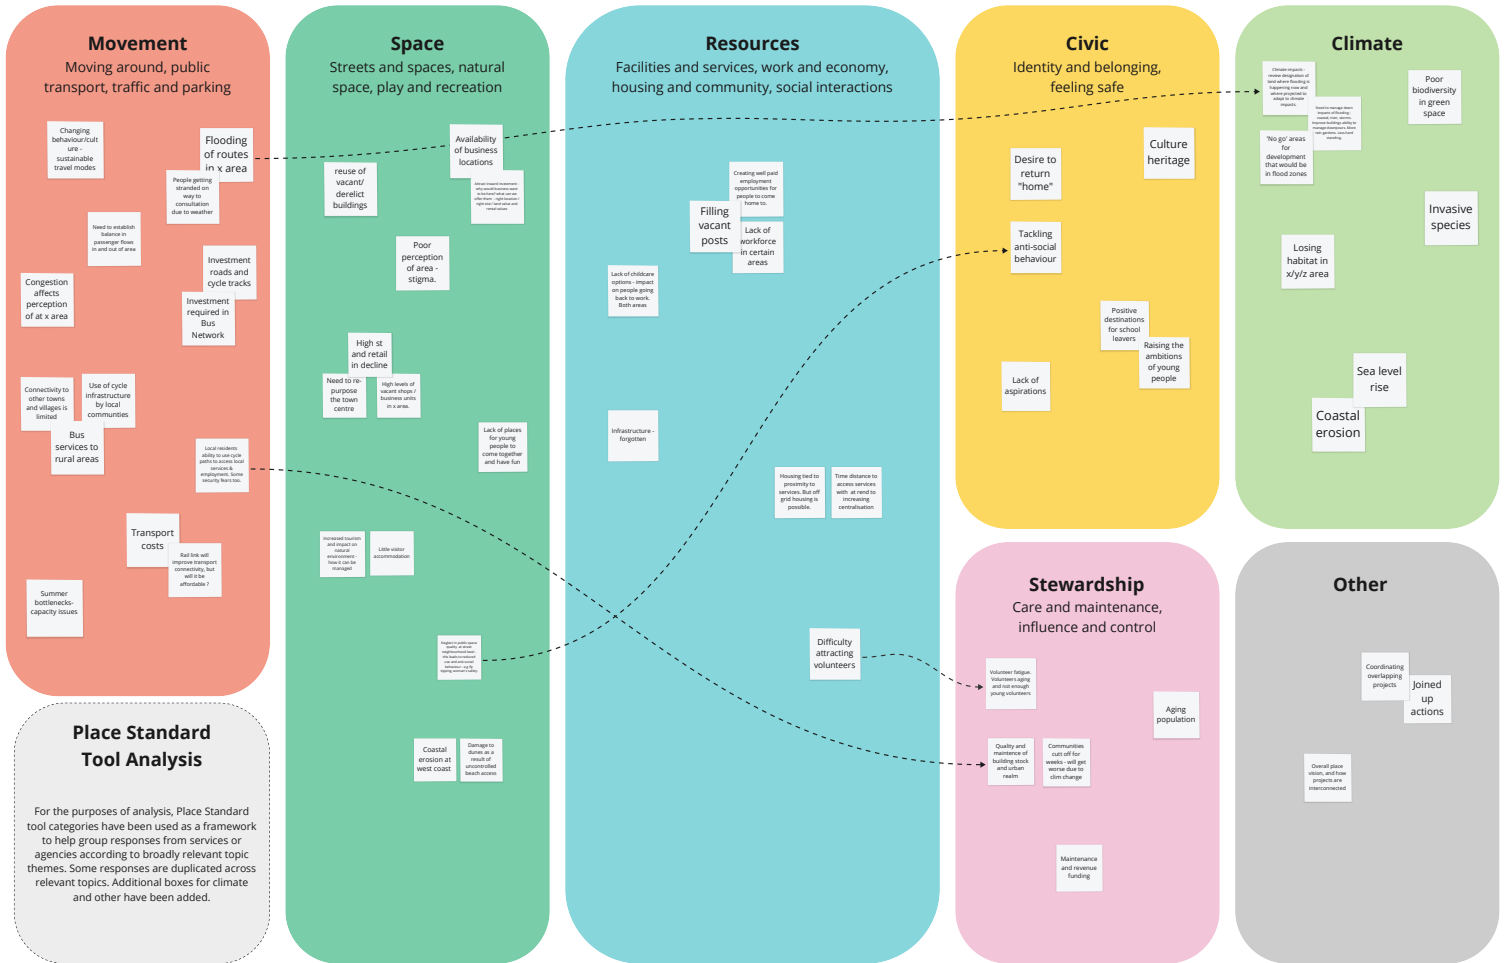

For the purposes of analysis, Place Standard tool categories have been used as a framework to help group responses from services or agencies according to broadly relevant topic themes. Some responses are duplicated across relevant topics. Additional boxes for climate and other have been added.

## **Stewardship**

Care and maintenance, influence and control

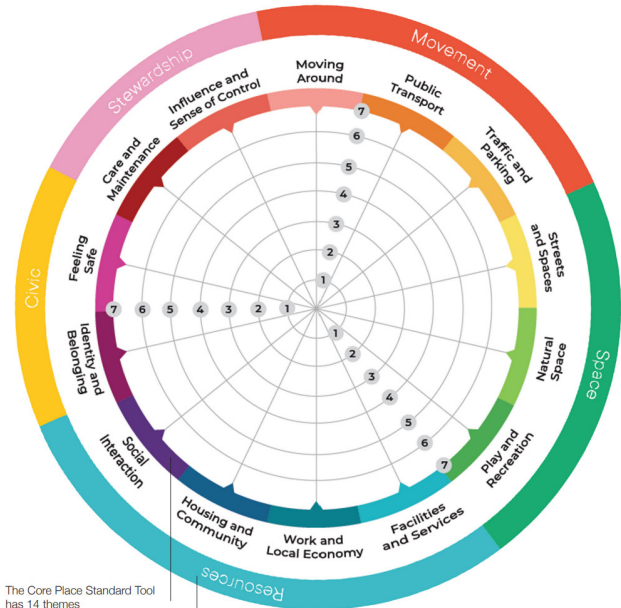

## **Other**

# Post-workshop analysis example - existing place

# Place Standard categories for post-workshop analysis

Categories	Place Standard Themes	What the Design and Development Process could consider or enhance.
Movement	<b>Moving Around</b>	Strategic cycle routes, local cycle routes, footpaths, pavements, active travel networks, connectivity, desire lines, destinations, permeability, surfaces, experience, accessibility, catering for different needs.
	<b>Public Transport</b>	Local, regional, interconnection, commuting, infrastructure, sustainable travel, interchange between public transport & active travel, modal shifts in transport.
	<b>P</b> <b>Traffic and Parking</b>	Public realm experience, integrated, safe, controlled, vehicular speed & noise, perceptual barriers, pedestrian priority, technology, deliveries, uplift, loading, cycling, charging, types & organisation of parking.
Space	<b>Streets and Spaces</b>	Quality of public realm, public space, legibility, orientation, wayfinding, street hierarchies and experience, character, vibrant, usability, inclusivity, multi-functionality, street frontage, thresholds, materials, boundaries.
	<b>Natural Space</b>	Parks & open space, natural landscape, visual connection, existing features or landforms, access & connectivity, climate resilience, ecosystems, blue & green infrastructure, biodiversity, growing, productive spaces, educational benefits.
	<b>Play and Recreation</b>	Variety & quality of play & recreation provision across age groups, care & maintenance, site features, indoor & outdoor sport, health & fitness, seating, social.
Resources	<b>+</b> <b>Facilities and Services</b>	Education, health facilities, social care, lifetime support, access & connectivity, mixed use, range & variety, associations, quality of services, sustainable provision, adaptation, healthy food, utilities, communications, repair, waste & recycling.
	<b>£</b> <b>Work and Economy</b>	Active local economy, quality of employment, training opportunities, work spaces, working from home, access to education, community enterprise, third sector, entrepreneurship, wider impact, local businesses.
	<b>Housing and Community</b>	Relationship with local area, range of tenures, types & sizes, adaptability, social integration, shared resources, ongoing management, community assets, provision of communal facilities, energy & sustainability.
	<b>Social Interactions</b>	Social spaces (indoor & outdoor), local groups & organisations, public spaces, informal social space, communal activities, welcoming spaces, tackling inequalities, cohesion.
Civic	<b>Identity and Belonging</b>	Culture, heritage, topography, landscape, landmarks, gateways, design codes, local architectural styles / distinctiveness, perception, legibility, encouraging diversity, sharing networks.
	<b>Feeling Safe</b>	Passive surveillance, reactivation of derelict spaces, weather, climate emergency, routes & access, boundaries, play, connections, trust, care.
Stewardship	<b>Care and Maintenance</b>	Rights & responsibilities, public & private, housing management, climate emergency, weather events, long-term occupation, operational costs, procurement, longevity, fitness for purpose, communication, everyday care.
	<b>Influence and Control</b>	Consultation, self-initiation, long-term management, community ownership, community capacity building, evaluation & ongoing improvement.

The Core Place Standard Tool has 14 themes

The Design Version groups these 14 Themes into Five Categories and asks structured questions about a development or design proposal under these headings.
